Have you been to Branson lately? If not, you are missing some BIG changes. Besides offering shows, attractions and fun for the entire family, Branson is close enough to enjoy without breaking the family fuel budget. And, one of the biggest additions to Branson is Louise Harrison, sister of The Beatles' own George Harrison, who has taken up residence in Branson in order to bring you her amazing Beatles Tribute Liverpool Legends. Since their opening on March 31st, audiences are loving the chance to relive the madness of the British Invasion via this world-class show.

To create this incredible tribute to the band that single-handedly changed the sound of music worldwide, Louise partnered with Marty Scott (portraying George Harrison) and Kevin Mantegna (as John Lennon). Marty and Kevin are acclaimed as two of the world's finest Beatles impersonators. Joining them are Davey Justice (Paul McCartney), Joe Bologna (Ringo Starr) plus Bob Dobro who provides the keyboard and live orchestrations integral to the later

Beatles sound. “Liverpool Legends present the very best portrayal of The Beatles

since the only four guys to play Beatles songs were John, Paul, George and Ringo!” states Harrison. She wanted to recreate the band that her brother

loved and audiences agree she succeeded with this totally live performance of Beatles music from the first Ed Sullivan appearance, through the psychedelic era, Abbey Road and beyond. You will love traveling back to the era of Peace & Love.

The Liverpool Legends show is at 8PM, Tuesday through Saturday at The Caravelle Theatre located at 3446 W. Hwy 76, next to Jim Stafford. Tickets are \$25.00 for adults and \$15 for children, 12 and under. Tickets are available by calling the Caravelle Box Office at (417)

334-5100.

Special group rates for 15 or more seats are available by contacting the Liverpool Legends Branson office at (417) 239-0499.
