### World-Class Beatles Tribute Wins Double in Branson Critic Awards

On October 3<sup>rd</sup>, Branson Critic Magazine announced the 2007 Branson Critic Awards and, once again, **Liverpool Legends** wins the *Best Band* and Editor's Choice for *Best Show*. They are thrilled to add these new titles to last year's for *Best New Show* and *Best Band*. They will accept their awards at a special ceremony at The Caravelle Theatre in Branson during their 8:00 PM show on Friday, November 2<sup>nd</sup>. As a special "Thank You" to our fans who helped make this possible, **Liverpool Legends** offers a special ticket price of **\$5** per ticket to anyone who mentions "Branson Critic" when making their reservation for November 2<sup>nd</sup>!

**Liverpool Legends'** roots are in Chicago but this Beatles Tribute Show took the world by storm in 2004 when George Harrison's sister Louise announced that she had handpicked a group of talented musicians and actors who "are the very best four guys to portray the Beatles since the only four guys to play the Beatles were John, Paul, George and Ringo!" Now, just two years later, they quickly established themselves as a force-to-be-reckoned-with in an entertainment capitol where 140+ shows fiercely compete to provide the best show for their audiences.

This award-winning production takes you from the Ed Sullivan show appearance through the psychedelic Sgt. Pepper era and on to Abbey Road and beyond. Every aspect of the careers and music that permanently changed the face of music around the world is perfectly portrayed by these five incredible musicians and actors.

Everyone at **Liverpool Legends** thanks the Branson Critic Magazine as well as all our fans – old and new – for the support they have shown and we look forward to the remainder of our 2007 Showcase in Branson and anticipate our return in 2008! Since this band originated in Chicago – do we dare use the Chicago based- sports term of "Three-Peat?"

**Liverpool Legends** appear at The Caravelle Theatre in Branson through December 15<sup>th</sup> at 8:00 PM, Tuesday through Saturday. We encourage you to visit our website ([www.liverpoollegends.com](http://www.liverpoollegends.com)) which features many of the articles and interviews about and with **Liverpool Legends** as well as images, biographies and show schedules.
